

# DISTRICT OF SAANICH STRATEGIC FACILITIES MASTER PLAN

# Master Plan

**VALUE**  
Our facilities help deliver our services

**GOAL**  
Service delivery in 2037

We are working on a 20 year facilities master plan to ensure we will continue to deliver these services in 2037.

Our quality of life is supported by our municipal facilities. The majority of services that the District provides are largely delivered through 10 facilities.

**What this means to you.**  
Our facilities can be grouped in four service categories; each providing services that contribute to the quality of life that Saanich residents enjoy.
