Saanich Remembers World War One Project

William Webster

It's quite a long time
 since I heard from
 any of you.
 How is the baby these
 days?
 I think we shall
 soon be turning in
 our horses and then
 we shall probably
 be sent back to our
 companies.

The weather here has
 been pretty cold lately
 but getting a little
 milder today.

This card is a feature
 of the house we were
 billeted in when in
 Germany and the other
 one is of the Rhine.

Very truly yours,
 William Webster
