About the Park:

The large grassy meadow in the middle of the park was once a show horse-training track belonging to the McMinn family. Gravel and bare earth trails, lead you through ancient cedar forested areas where you will find a small pond and Galey Brook.

The playground is nestled up against a wooded background. The zip line is a big hit! With separate tennis and pickleball courts, you can have some fun matches.

The various play courts in the park are popular for a variety of activities including tennis, pickleball, hockey and basketball plus a bike skills area.

We worked with local youth and a designer to create the bike skills area in the park. The design is family friendly, intended for beginner - intermediate level riders. The bike skills area is close to the Lochside Trail for easy access by bike.

Remember to [leash your dog when within 10m of the playground](#) and always pick up after your pet.

McMinn Park Picnic Areas:

There are different picnic tables available around the park. You can [reserve picnic areas through our park permit system](#). Unreserved tables are available on a first come basis with the understanding that any reservations will be able to ask you to relocate.

Please identify which area(s) you wish to reserve when making a park permit reservation. Garbage, recycling and/or compostable materials need to be disposed of properly and picnic areas cleaned up after use.

Area A: This area has four (4) tables (one wheelchair accessible) and can seat up to 24 comfortably. Located in the grass area between the pickleball court and the playground.

Table B: This is one (1) wheelchair accessible table and can seat 6 comfortably. Located beside the sport court.
