About the Park:

Saanich Recreation has a Summer Neighbourhood Playground Program (SNPP) in this park. Reynolds Park offers a soccer field, playground, tennis courts and a sport court (half basketball and half hockey). The main parking lot with a rain garden can be accessed from Prestwood Dr with additional angle parking along Lasalle St.

The playground (updated in 2020) features a large net climber with a big slide for the older kids and a treehouse structure with slides for the younger kids. A natural play sand area provides a fun spot with a sand digger and logs stumps to follow over a tunnel. New picnic tables and benches surround the playground with a 360° circular bench located in the middle. In the building close to the playground is a year round washroom.

Remember to leash your dog within 10m of the playground. Always have your dog under control and pick up and dispose of animal waste.
