Temporary Overnight Sheltering In Saanich Parks

Saanich has a wide variety of parks, trails and recreational amenities.

There are no designated overnight campgrounds in Saanich and camping is not permitted in Saanich Parks.

However, people who need to shelter overnight in a park as a result of experiencing homelessness, may do so under these conditions:

- Overnight sheltering must be temporary (tent, tarp, no permanent structures, etc.) between 7 p.m. and 9 a.m. the following day.
- Shelters and personal property must be removed by 9 a.m. In the case that property is left unattended, Saanich staff will remove the property, store only those items that have value (for 30 days) and dispose of the remainder. Enquiries about property can be made by calling the Parks Office **250-475-5522** on weekdays from 8 a.m. to 4:30 p.m.
- Fires and smoking are prohibited.
- Some parks and specific areas of parks are off limits to all temporary sheltering. Prohibited areas include:
 - environmentally sensitive areas;
 - all parks designated as Natural Areas (see map);
 - within 3m of playgrounds, spray parks or pools;
 - horticultural display areas or gardens;
 - within 3m of skateboard bowls, tennis courts or other sports courts;
 - within 3m of sports fields, stadiums or dugouts;
 - within 3m of stages or bleachers;
 - within 3m of washroom facilities, picnic shelters or gazebos;
 - within 3m of recreation facilities;
 - beaches;
 - cemeteries;
 - golf courses;
 - pathways, bridges, boardwalks, docks or wharves; and
 - roads, driveways or parking facilities.

To report an encampment outside of the conditions noted above, please call the Saanich Police non-emergency line at **250-475-4321**.
