

## COUNCIL POLICY

<b>SUBJECT:</b> SOUND BARRIERS IN SAANICH - GENERAL APPROACH	<b>DATE:</b> August 24, 1992 <b>Revised:</b>
---	---

The following is Council policy for any proposed noise barriers within the Municipality.

1. Noise barriers will not be considered as a general solution to reducing traffic noise but as one possible option within the context of a clearly identified need, site specific requirements, and neighbourhood acceptability.
2. An individual assessment is to be carried out for each proposed noise barrier.
3. All proposals for noise barriers will be referred to the Advisory Design Panel.
