

COUNCIL POLICY

SUBJECT: HERITAGE	DATE: January 20, 1980 Revised:
--------------------------	--

RECOMMENDATIONS OF THE HERITAGE ADVISORY COMMITTEE OF JANUARY 10, 1980

1. Flagging Internal Documents - That notice of all structures on the "A" and "B" designation lists be sent to the Tax Department and Building Department for the information of interested enquiries about these properties for the purpose of indicating on file documents "these structures are presently being considered for heritage designation".
2. Plaques and Notation on Tax Cards - That all structures that have been declared heritage be identified by means of plaques stating the designation and that the list of designated structures also be sent to the Tax Department for notation on the 1980 Tax Notices involved.
3. Heritage Registry - That a heritage registry be instituted under the direction of the Planning Department.
