

I want to add one or more dwelling units to my property.

OUTSIDE the Urban Containment Boundary

- Single Family Dwelling
- 1 Secondary Suite (see additional regulations in Section 5.24 of the [Zoning Bylaw](#))
- If zoned RS, and within the Sewer Service Area, option to choose between 1 Secondary Suite or 1 Garden Suite (see Section 5.35 of the [Zoning Bylaw](#)). Garden Suites are not permitted in A-zones.

INSIDE the Urban Containment Boundary

If the lot is wholly or partly within the Urban Containment Boundary, it is considered to be inside.

Option 1

- Single Family Dwelling
- 1 Secondary Suite and 1 Garden Suite
- Single Family Dwelling is regulated under the applicable zoning; Garden Suite is regulated under Schedule H
- See [Garden Suites webpage](#)
- See Eligibility Requirements below (Section 5.35 of the [Zoning Bylaw](#))

Option 2

- Small-Scale Multi-Unit Housing (SSMUH) is permitted in most residential zones
- There are additional criteria in Section 5.37 of the [Zoning Bylaw](#)
- Minimum of 1 Houseplex
- Maximum of 3-6 units depending on lot size and location
- See [SSMUH webpage](#)
- See Eligibility Requirements below (Section 5.37 of the [Zoning Bylaw](#))

Schedule G Eligibility

**See the [SSMUH Guide](#) for information on using SaanichMap to determine lot eligibility*

Additional Considerations:

- Are there any encumbrances listed on title, such as covenants, easements or right-of-ways?
- Are there any Development Permits that need discharging, amending or applying for?
- Is the lot located in a Floodplain or Streamside Development Permit area?
- Is the lot on the Heritage register?
- Is the lot located in the Agricultural Land Reserve?
- Upgrades to servicing may be required, e.g. storm, sewer and water. Contact development@saanich.ca
- Are any trees bylaw protected or impacted by the development? A Tree Cutting Permit and/or arborist report may be required. Contact parks@saanich.ca
