Water Fitness Drop-in Descriptions

All classes welcome participants 13yrs+. For your convenience when choosing a drop in class we have now listed the intensity beside the class. However, modifications can be shown in all classes.

♥ Suitable for everyone from beginners to the more advanced. Emphasizes fun, and effective workouts; challenging options given for experienced participants.

♥♥ Suitable for participants ready to improve technique and increase intensity while still emphasizing proper form. Best suited for individuals who are already actively exercising.

♥♥♥ Suitable for consistently active individuals, emphasizing advanced techniques and intensity that will challenge even experienced participants.

SHALLOW WATERFIT ♥♥

A fun, moderate to intense, self-paced workout focusing on total body conditioning held in the shallow pool.

DEEP WATERFIT ♥♥

This is a non-impact, high energy, moderate workout in the deep water. Floatation belts are used and the class can be easily modified for all fitness levels.

SHALLOW & DEEP WATERFIT COMBO ♥♥

This Combo class lets you choose what kind of waterfit class you want to participate in. One instructor will run both a Shallow and a Deep waterfit class at the same time with individual moves for each pool.

SHALLOW WATER WALKING ♥

A fun, low impact water fitness class in the shallow pool for those recovering from injury, with arthritis, or simply wanting a mild class.

DEEP WATER CONDITIONING ♥

This low impact class is ideal for people recovering from injury or joint replacements. Work on balance, core, total body strength, coordination, and cardio fitness.
