Join our year-long play-based program in the Friendly Forest for children aged 3-5. Led by early childhood educator, Carla Charles, your child will learn early literacy and numeracy through play and exploration, following the BC Early Learning Framework. Young children learn through play, so we prioritize child-led activities in our intentionally designed outdoor classroom, where educators provide gentle guidance to foster social skills and independence. Each day begins with circle time, featuring stories, songs, counting and letter work. Teacher-led activities focus on art, science, and games to develop fine and gross motor skills, complemented by field trips and nature walks. Children must register for at least two days a week and must be 3 years old by October 31, 2025. In-person registration only.
