

Mobile Food Vendor Requirements

Where:

Vendors may operate in most P-4 zone parks, email mobilevendors@saanich.ca for a full list of parks.

Hours:

- Vendors may choose to operate year-round between 9 a.m. and 9 p.m. daily.
- Vendors must leave the site by 10 p.m. daily.

Public Events:

Vendors are prohibited while public events are being held unless they have been specifically invited by event organizers.

See calendar of Saanich public events [here](#).

Park Permit:

Park Permits are required. Siting information and any specific requirements will be attached to permits.

Siting:

Vendors will receive a park-specific location map with the park permit.

Business License:

Must be valid in Saanich (Island Health Authority approval and Saanich Fire Safety Inspection required).

Power and Water:

Operators must supply their own water and power.

If generators are used, they must comply with the Noise Bylaw.

Trees:

Vendors are prohibited from operating within 3m of any tree dripline. Violations are subject to fines as outlined in the Tree Protection Bylaw, 2014, No. 9272.

No Disposal:

Disposal of grease, grey water or any other vendor-related material is prohibited. Vendors must carry spill-prevention kits to mitigate accidental spills.

Compost, Recycling and Garbage:

Operators are responsible for supplying garbage, recycling and compost bins, and disposing of contents responsibly **off-site daily**.

Operators must perform regular garbage/recycling checks of the area to ensure no waste is left in the park.

Advertising:

Saanich will not advertise or post vendor schedules. A link to Street Food app (or other current link) will be provided on the Saanich website; vendors are responsible for keeping their information up to date independently of Saanich.

Confirm Site:

It is the vendors' responsibility to view sites to confirm their ability to access and operate from them.
