

COLQUITZ PARK

COMMUNITY OPEN HOUSE AND INFORMATION SESSION

COME LEARN ABOUT THE GREEN SHORES® FOR SHORELINE DEVELOPMENT PROJECT AT COLQUITZ PARK

The Colquitz Park Green Shores for Shoreline Development (GSSD) Demonstration Project is a collaborative effort that will serve to build community resilience to the impacts of climate change, such as erosion and flooding, while improving local ecosystem health and park visitor experiences.

Feb 2, 2024, Colquitz Park
GSSD Design Workshop
